## BENEFITS WORLD MISSION PROGRAMS

Alisha Vang, a freshman at Multnomah School of the Bible will be traveling to Rwanda with a team of students to create a library for Rwanda Evangelical School of Theology. The students will also be preaching in churches, teaching in schools, testifying in Kigali homes, and ministering to street kids.

Michael Hatcher, a graduating high school senior, will travel with Youth with a Mission to Belize to be trained to minister to young people through worship, drama, music and skits. Michael's outreach also involves working with street kids.

Both young people are eager to share their love of Jesus Christ in the mission field beyond our borders.

Please remember them in prayer and take this opportunity to support them.

Thank You
