Dear *Grandpa & Grandma*

I hope this letter find you well!! I'm writing to share with you an exciting opportunity that I will be participating in this coming summer and to ask you to consider being a part of it through prayer and financial support.

I am going to Belize on a 6 month mission trip with Youth With A Mission (YWAM), an international, interdenominational Christian mission agency. For over 43 years YWAM has been mobilizing young people like myself to help meet the needs of and minister to hurting people worldwide. I will have the opportunity to share the love of Jesus Christ

through drama, music, service work and one-on-one evangelism. I am excited to be given the honor of being God's hands and feet in places of great need.

On the mission trip, I will receive training which consists of worship, a guest speaker, and learning drama, songs, dance and puppet skits in order to share Jesus with others. The training time is followed by the outreach phase, which gives me a chance to share the Gospel with the people of Belize and other Caribbean nations.

I would like to invite you to be a part of what God has called me to do. Would you prayerfully consider supporting me for this mission trip? I need to raise \$5,000 by May 30th in order to go. I would consider it a privilege to have you on my team for this exciting opportunity, and I believe the Lord will bless us both through this experience. I also need your prayer support leading up to and throughout my mission trip. Either or both means of support would be greatly appreciated!

Thank you for your time and consideration. It would be great to have you partner with me in working towards the completion of the Great Commission.

God Bless,

Michael Hatcher
